

CARLO LIO BIOGRAPHY

Toronto-born DJ, producer, label owner, and entrepreneur Carlo Lio has established himself as one of the most respected names in techno and tech-house. Renowned for his signature blend of deep, hypnotic grooves, driving rhythms, and uncompromising underground energy, Lio has spent more than a decade building a global reputation through standout productions and electrifying performances.

Continuing his upward trajectory, Carlo remains at the forefront of the electronic music scene with releases on some of the industry's most influential labels, including MOOD Records, Trusoul, Uncage, D'EAUPE, Edible, Desolat, and his own acclaimed imprints, Rawthentic Music and On Edge Society. A testament to his enduring impact, Carlo was selected to deliver the inaugural release for Carl Cox's relaunch of the legendary label Intec, further cementing his status among techno's elite.

Lio consistently demonstrates an ability to evolve while remaining true to the raw, groove-driven sound that has become his trademark. His productions continue to earn support from the biggest names in electronic music, while his relentless commitment to quality has kept him firmly positioned at the cutting edge of the underground.

Beyond the studio, Carlo's influence extends through his label ventures. Rawthentic Music has become a respected platform for forward-thinking underground tech-house talent, while On Edge Society continues to showcase innovative sounds and artists pushing the boundaries of true techno.

Carlo has captivated audiences at premier festivals and world-renowned clubs across Ibiza, Europe, North America, South America, and beyond. Whether commanding a packed dancefloor at a major event or delivering an intimate, expertly curated set, his ability to connect with audiences remains unmatched.

With a career defined by consistency, innovation, and passion, Carlo Lio continues to push harder than ever, expanding his global footprint and solidifying his place as one of the leading figures in techno and tech-house.
